SJC Agreement No. 14CD.017

INTERLOCAL AGREEMENT FOR PROFESSIONAL SERVICES

THIS Agreement is made and entered into at Friday Harbor, Washington, pursuant to RCW 39.34.080 between San Juan County ("COUNTY"), and the Snohomish County Sheriff’s Office ("PUBLIC AGENCY").

WHEREAS, the COUNTY desires to enter into an interlocal agreement with the PUBLIC AGENCY to perform certain services and/or tasks set forth below requiring specialized skills and other supportive capabilities; and

WHEREAS, the PUBLIC AGENCY represents that the PUBLIC AGENCY is qualified and possesses sufficient skills and the necessary capabilities, including technical and professional expertise, where required, to perform the services and/or tasks set forth in this Agreement.

NOW, THEREFORE, in consideration of the terms, conditions, covenants, and performance contained herein, the parties hereto agree as follows:

1. SCOPE OF SERVICES

The PUBLIC AGENCY shall perform such services and accomplish such tasks, including the furnishing of all materials and equipment necessary, as are designated in the responsibilities of PUBLIC AGENCY throughout this Agreement and as described in Exhibit A, attached and incorporated herein.
2. **TERM**

The Project shall begin upon the execution of this Agreement and shall be completed no later than June 30, 2015.

3. **COMPENSATION AND METHOD OF PAYMENT**

Payments for services provided shall be made following the performance of such services, unless otherwise permitted by law and approved in writing by the COUNTY. No payment shall be made for any service rendered by the PUBLIC AGENCY except for services identified and set forth in this Agreement, including Exhibit A. Fees for services shall be in accordance with the fee schedule attached as Exhibit B and shall not exceed $25,000 (Twenty Five Thousand Dollars).

4. **ADMINISTRATION.**

This Agreement shall be administered by Lt. Rodney Rochon, Commander Marine Services Unit.

5. **INDEMNIFICATION.**

Each party agrees to be responsible and assume tort liability for its own wrongful acts or omissions, or those of its officers, agents, or employees to the fullest extent required by law, and agrees to save indemnify, defend and hold the other party harmless from any such tort liability. In the case of negligence or wrongful acts by both the COUNTY and the PUBLIC AGENCY, any damages allowed shall be levied in proportion to the percentage of fault attributable to each party, and each party shall have the right to seek contribution from the other party in proportion of the percentage of negligence attributable to the other party.

The PUBLIC AGENCY shall also indemnify the COUNTY against all liability and loss in connection with, and shall assume full responsibility for, payment of all federal, state and local taxes or contributions imposed or required under unemployment insurance, workman's compensation, social security and income tax laws, for the PUBLIC AGENCY and any employees or volunteers of the PUBLIC AGENCY.

6. **INSURANCE**

A. The PUBLIC AGENCY will carry and maintain throughout the period of the Agreement at its own expense the following minimum insurance:

   1. Commercial general liability insurance in the amount of no less than $1,000,000 for combined, single-limit for injuries to persons, or property damage.

   PUBLIC AGENCY, a charter county government under the constitution of the State of Washington, hereinafter referred to as “PUBLIC AGENCY”, maintains a fully funded Self-Insurance program as defined in Snohomish County Code 2.90 for the protection
and handling of the PUBLIC AGENCY’s liabilities including injuries to persons and damage to property. COUNTY acknowledges, agrees and understands that the PUBLIC AGENCY is self-funded for all of its liability exposures. The PUBLIC AGENCY agrees, at its own expense, to maintain, through its self-funded program, coverage for all of its liability exposures for this COUNTY. The PUBLIC AGENCY agrees to provide the COUNTY with at least 30 days prior written notice of any material change in the PUBLIC AGENCY’s self-funded program and will provide the COUNTY with a certificate of self-insurance as adequate proof of coverage. COUNTY further acknowledges, agrees and understands that the PUBLIC AGENCY does not purchase Commercial General Liability insurance and is a self-insured governmental entity; therefore the PUBLIC AGENCY does not have the ability to add the COUNTY as an additional insured. Should the PUBLIC AGENCY elect cease self-insuring its liability exposures and purchase Commercial General Liability insurance, PUBLIC AGENCY agrees to add the COUNTY as an additional insured.

Any payment of a deductible or self-insured retention shall be the sole responsibility of the PUBLIC AGENCY.

2. Statutory workers' compensation insurance and employer's liability insurance to cover employees and volunteers as required by state and federal law.

B. The PUBLIC AGENCY shall provide the COUNTY evidence of insurance in the form of a Certificate of Insurance or letter of self-insurance satisfactory to the COUNTY. Approval of insurance is a condition precedent to full execution, including continued compensation, of this Agreement. The maintenance of said insurance will not in any manner affect the PUBLIC AGENCY’S obligation to hold harmless and indemnify the COUNTY as provided in this Agreement.

7. MAINTENANCE AND INSPECTION OF RECORDS

A. The PUBLIC AGENCY shall maintain books, records and documents, which sufficiently and properly reflect all work related to the performance of the Agreement. In addition, the PUBLIC AGENCY shall maintain all accounting records in a form necessary to assure proper accounting of all funds paid pursuant to this Agreement. All of the above shall be subject at all reasonable times to inspection, review, or audit by the COUNTY, its authorized representative, the State Auditor, or other governmental officials authorized by law to monitor this Agreement.

B. The PUBLIC AGENCY shall retain all books, records, documents and other material relevant to this Agreement for six (6) years after its expiration. The PUBLIC AGENCY agrees that the COUNTY or its designee shall have full access and right to examine any of said materials at all reasonable times during said period.

8. EXTRA WORK

A. The COUNTY may at any time, by written order, make changes within the general scope of the Agreement in the services to be performed.
B. If any such change causes an increase or decrease in the estimated cost of, or the time required for performance of any part of the work under this Agreement, whether or not changed by the order, or otherwise affects any other terms and conditions of the Agreement, the COUNTY shall make an equitable adjustment in the (1) maximum amount payable; (2) delivery or completion schedule, or both; and (3) other affected terms and shall modify the Agreement accordingly.

C. The PUBLIC AGENCY must submit its “request for equitable adjustment” or claim under this clause within thirty (30) days from the date of receipt of the written order.

D. The maximum amount payable for this Agreement shall not be increased or considered to be increased except by specific written supplement to this Agreement.

9. OWNERSHIP OF WORK PRODUCTS

All data, materials, reports, memoranda, and other documents developed under this Agreement, whether finished or not, shall become the property of the COUNTY, shall be forwarded to the COUNTY at its request, and may be used by the COUNTY as it sees fit.

10. TERMINATION

A. Termination for Convenience. The COUNTY may terminate this Agreement, in whole or in part, at any time, by at least thirty (30) days written notice to the PUBLIC AGENCY. The PUBLIC AGENCY shall be paid for work performed and expenses incurred to the date of termination. Within thirty (30) days, the PUBLIC AGENCY shall submit a termination claim to the COUNTY. If the PUBLIC AGENCY has any property in its possession belonging to the COUNTY, the PUBLIC AGENCY will account for the same, and dispose of it in the manner directed by the COUNTY.

B. Termination for Cause. If the PUBLIC AGENCY fails to perform in the manner called for in this Agreement, or if the PUBLIC AGENCY fails to comply with any other provisions of the Agreement and fails to correct such noncompliance within five (5) days written notice thereof, the COUNTY may terminate this Agreement for cause. Termination shall be effected by serving a notice of termination on the PUBLIC AGENCY setting forth the manner in which the PUBLIC AGENCY is in default. The PUBLIC AGENCY will only be paid for services performed in accordance with the manner of performance set forth in this Agreement.

11. MEDIATION

The parties shall attempt to resolve any controversies or disputes arising out of or relating to this Agreement through a good faith attempt at mediation. Each party will pay its own attorneys’ fees and costs.
12. **ARBITRATION**

A. Any controversy or claim arising out of or relating to this Agreement that is not resolved through mediation, shall be resolved by final and binding arbitration pursuant to RCW 7.04A. Demand for arbitration shall be made in writing to the other party. The arbitration shall be held in San Juan County before a single arbitrator selected by the Agreement of the parties. If the parties cannot agree upon an arbitrator within fifteen (15) days after the demand for arbitration is made, the arbitrator shall be selected by a judge in the Superior Court of San Juan County in accordance with the procedures set out in RCW 7.04A.110.

B. Unless the parties agree otherwise in writing, the arbitration hearing shall occur no later than sixty (60) days after the date the arbitrator is appointed.

C. The parties agree that, with the exception of the circumstances set out in RCW 7.04A.230, the arbitrator's decision shall be binding, final and not appealable to any court of law.

D. Each party shall pay its own costs of arbitration including attorneys' fees. The arbitrator's fee and any administrative expenses imposed by the arbitrator shall be shared equally by the parties.

E. This Agreement shall be governed by laws of the state of Washington, both as to interpretation and performance.

13. **WAIVER**

The waiver by, or the failure to take action with respect to, breach of any term, covenant or condition of the Agreement shall not be deemed to be a waiver of such term, covenant or condition on any subsequent breach. All remedies afforded in this Agreement shall be taken as cumulative; that is, in addition to every other remedy provided herein or by law.

14. **SEVERABILITY**

It is understood and agreed by the parties that if any term or provision of this Agreement is held by any court to be illegal or in conflict with any law of the state of Washington, the validity of the remaining portions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular term, part or provision held to be invalid.

15. **ENTIRE AGREEMENT**

This instrument contains the entire Agreement between the parties and statements, promises, or inducements made by any party or agent of that party that are not contained in this Agreement shall not be valid or binding. Scope of Services

Scope of Work for Partner Sites

Each Grantee, whether a Public Agency or an authorized non-profit shall carry out all the work necessary to establish a local Derelict Vessel Prevention Program, DVPP, in compliance with the directives described below.

This is a new program that will compliment and benefit the existing Derelict Vessel Removal Program administered by the Department of Natural Resources. It the expressed goal of the granting authority, San Juan County, the original recipient of funding from the Puget Sound Partnership, that all grantees will make their best endeavors to not only establish a working DVPP but will secure its existence well past the expiration of the grant in June 2015.

Program Management

Ensure systems are in place to financially and administratively manage the program requirements. This includes:

1. Accounting systems that can bill and report to San Juan County on a quarterly basis.
2. Designating a lead person for overall management and reporting duties.
3. Staffing that provides for adequate oversight and implementation of the program.
4. Providing San Juan County monthly activity reports, by the 5th of each for the previous month
5. Providing San Juan County with invoices quarterly, on the 15th of the month following the close of the previous quarter.

Training and Consultation Participation

Participate in the following activities:

1. A two day training for coordinators on April 2nd and 3rd April, 2014 At Padilla Bay
2. Consultation and mentoring activities with the San Juan County coordinator and consultant.

Local Partnership Engagement

Build relationships with ports, boating groups, marinas, shoreline property owners, law enforcement, Department of Natural Resources, and other state/local government agencies in order to succeed in derelict vessel prevention efforts.

Outreach and Education

Conduct outreach, education and engagement with partners and boat owners to assist in better vessel maintenance, compliance with regulations, and support of boat stewardship. Work with local media, groups with newsletters and blogs, social media or other outlets that help target messages and outreach efforts. Make presentations to various groups about the program. Document activities and provide copies of any materials developed for this work.

Program Implementation

Tasks include:

1. Identify and monitor vessels that are of concern.
2. Determine ownership status of vessel and attempt to make contact to verify status.
3. Encourage vessel maintenance, registration, and/or moorage compliance as warranted.
4. Assist vessel owners as needed.
5. Coordinate with local agencies as needed.
6. Maintain time log, financial records, and photo records.
7. Proceed with custody process or removal as needed.

Volunteer Recruitment and Management
This will vary from jurisdiction to jurisdiction, but volunteers may be an important component of your derelict vessel prevention efforts. Utilizing volunteers can stretch program funds, give more resources to the effort, and can contribute to sustainability of the program over time. Provide documentation of volunteers involved in the project, training provided, activities conducted, and in-kind or actual expenses for volunteer activities.

Monitoring, Tracking, and Evaluation
Identify priority coves and harbors where greater numbers of potential derelict vessels are found. Survey these coves and harbors to establish a baseline and inventory.
Track the number of vessels identified, tagged, owner’s contacted, and action taken to prevent derelict vessel removal.
Build a file to track activity for each vessel over time. Document should be sufficient to meet the needs of the Derelict Vessel Removal program if needed.
Implement evaluation methods to contribute to program-wide evaluation. Further details will be provided at time of contract/orientation training.

Reporting
In quarterly reports, coordinator will provide:
- Activities conducted during the quarter
- Highlights of note, new partners
- Volunteer hours, activities, and expenses (in-kind or paid)
