

2nd Council District Community Meeting

(Press Release from Rich Peterson's Office)

Rich Peterson, Second District County Councilman, has announced that he has scheduled a community meeting on **February 27th at 10:00 a.m. at the Roche Harbor Pavilion**. He hopes that residents with an interest in issues affecting them will attend the meeting and hear his review of the council's efforts to grapple with many challenges.

Rich has been in office over three years and is interested in constituent opinions on the council's performance and specific viewpoints about current issues. He will try to answer any questions that may arise.

This meeting will also serve as an opportunity for residents to help shape the council's agenda for the future. The 2nd District encompasses roughly the north half of the island, excluding the Town of Friday Harbor. Interested members of the community outside the district are also welcome to attend.
