

National Weather Service Spotter Training
Saturday, April 10th, 2010

Roche Harbor, San Juan Island

Saturday, April 10th

10am – 12:30pm

Madrona Grill Restaurant

Westsound, Orcas Island

Saturday April 10th

4pm – 6:30

Westsound Community Hall

RSVP: San Juan County Dept of Emergency Management
(360) 370-7612 or email: dem@sanjuandem.net

The National Weather Service will train new and veteran spotters on how to look for and report significant event-driven weather events. Training includes video demonstrations. Spotters are needed, particularly in the out of town and waterfront parts of the San Juan Islands. Ideal spotters will already own basic weather instrumentation, especially an anemometer, or will be interested in buying one soon.

If planning to attend this spotter training session, please RSVP so an appropriate number of handout materials can be on hand. We look forward to seeing you at this or other Spotter training sessions, and receiving your hazardous weather reports.
