

SAN JUAN COUNTY

2010 REQUEST FOR CONSULTANT SERVICES

San Juan County maintains a roster of Surveyors, Architectural and Professional Engineering (A&E) Consultants to assist the County and other County agencies and public entities in developing and completing relevant Public Works projects. Projects may include but are not limited to Engineering, Architectural, Surveying, Archaeological services, Storm water, Road Design, Environmental and Geotechnical engineering, Consultants will be selected on the basis of qualifications, performance, and the ability to perform the tasks and complete the projects in a timely manner. Your firm must be licensed in the State of Washington to engage in the lawful practice of your profession. The roster will be active for one (1) year. Professional contracts will be negotiated for fees and scope of work. Products may include public meetings, engineering studies and reports, final design and drawings, final contract and bid documents, contract administration and inspection documents and reports, and as-built drawings.

Applications are available online at:

<http://www.sanjuanco.com/publicworks/ConsultantRoster.aspx>. Please respond with specific interest, experience, qualifications, and ability to respond in timely manner, to San Juan County Public Works Department, 915 Spring St/PO Box 729, Friday Harbor, WA 98250. If you have any questions, please contact Sue Nielsen at 360/370-0527 or suen@sjcpublishworks.org.
